The above-captioned matter is set on May 13, 2014, at 9:30 a.m. before the magistrate court for a status hearing. The parties jointly request that the Court set the matter at that same date and time for a change of plea hearing before the duty magistrate judge. The government has filed a superseding information charging the defendant with violations of the tax code. The defendant intends to plead guilty to the superseding information without an agreement with the government. Based on the Court's unavailability, the parties agree that it is appropriate for the Court to refer this matter to the magistrate
